Regarding the Notification pursuant to Article 3 of the Espoo Convention – Olkiluoto nuclear power plant

Denmark thanks for the notification regarding the Olkiluoto nuclear power plant and wants to participate in the further environmental assessment process.

The notification has been sent for consultation to several Danish authorities and interest organizations and has been published on the Danish Environmental Protection Agency's website.

Espoo, Denmark don't get any comments regarding the notification but wants to participate in the further environmental assessment process.

If you have any questions, feel free to contact me.

Best regards
