Dear Mrs. Rantakallio,

The relevant documents including the environmental report on the NPP Fennovoima were published and submitted for consultation for 6 weeks in Austria.

The Republic of Austria submits as comment to the above mentioned documents the Expert Statement to the EIA Report for the Fennovoima nuclear power plant and the comments received from the provinces, NGOs and citizens.

We would appreciate if the comments were passed on to the contact authority and developer.

Enclosure

Yours sincerely,

On behalf of the Minister:
Dr Ursula Platzer-Schneider

Electronically signed.
