REGARDING CONFIRMATION OF PARTICIPATION IN THE ENVIRONMENTAL
IMPACT ASSESSMENT PROCEDURE

We are thankful for the notification No. YM1/5521/2008 dated 5 February 2008 regarding the construction of a new nuclear power plant in Finland.

Referring to article 3 point 3 of the Convention on Environmental Impact Assessment in a Transboundary Context we confirm that Lithuania intends to participate in environmental impact assessment procedure for this project.

Additionally we would like to inform that we haven't got any comments regarding the scope of environmental impact assessment.

Yours faithfully,

Undersecretary of the Ministry
