Betreff: Request regarding a response related to the Espoo Convention (SYKE/2026/605)

Dear Point of Contact in Germany

This e-mail is respectfully sent as a reminder regarding an outstanding response. The Finnish Environment Institute is currently in the process of reviewing the responses and comments received

concerning a planned small modular reactor (SMR) plant in Kuopio, Finland (reference: SYKE/2026/605). The deadline for submission of responses was 30 June 2026. According to the records of the Finnish Environment Institute, a response has not yet been received from Germany. The Finnish Environment Institute would be grateful if the requested response could be provided at your earliest convenience, if possible.

Should you require any additional information, please do not hesitate to contact us. Thank you in advance for your cooperation.

Sincerely,

Laura Aitala-Martesuo
