**Re: transboundary environmental impact assessment concerning the construction and operation of a small modular reactor (SMR) power plant in Kuopio, Finland**

*Dear Madam,*

I would like to thank you for your notification dated April 10, 2026, ref. no.: SYKE/2026/605, pursuant to Article 3 of the Espoo Convention<sup>1</sup> regarding the project involving the construction and operation of a small modular reactor (SMR) power plant in Kuopio, Finland. The information provided has been forwarded to Polish state authorities and institutions for their opinion on the Polish Party's participation in the transboundary environmental impact assessment procedure for the planned project.

Taking into account the nature and location of the planned project, as well as the positions of the relevant state authorities, no significant adverse impacts on the territory of the Republic of Poland were identified.

**The Polish Party does not intend to participate in the transboundary environmental impact assessment procedure of a project involving the construction and operation of a small modular reactor (SMR) power plant in Kuopio, Finland.**
