About COME

Helsinki Region Chamber of Commerce's project Chamber of Multicultural Enterprises (COME) aims in enhancing companies' ability and readiness to recruit international talents, cope with multicultural working environment and improving companies' capabilities to succeed in international business environment.

COME's Employer Services assist employers and companies in questions related to multicultural workforce, and offer guidance for example in finding the right authorities and related services. Through EntryPoint Mentoring Programme COME furthers companies' international business capabilities and international talents' transition to the labour market to positions matching their education and qualifications.

COME is part of At Work in Finland project, funded by the European Social Fund and the Helsinki-Uusimaa Regional Council.

WTF: Welcome to Finland, love angry bird

After the 'Nokia Effect', the city of Helsinki has had to reinvent itself. Has its entrepreneurial verve and notable global success in gaming been able to shake off the ghosts of the past?
