Aihe: SV: Espoo Convention notification on Fennovoima Oy's encapsulation plant and final disposal facility for spent nuclear fuel

Dear Seija,

Reference is made to the notification concerning Fennovoima Oy's encapsulation plant and final disposal facility of spent nuclear fuel. The Norwegian Ministry of Climate and Environment would like to participate in the further impact assessment process.

Please find attached a letter from the Norwegian Radiation Protection Authority to the Norwegian Ministry of Climate and Environment regarding Fennovoima Oy.

Kind regards,

Henrik Johan MYHRER
Adviser

Norwegian Ministry of Climate and Environment
Section for Economics and Environmental Policies
