Aihe: VS: Espoo Convention notification on Fennovoima Oy's encapsulation plant and final disposal facility for spent nuclear fuel

Dear Seija,

I apologize for this late reply. I hope that it will not cause any inconvenience.

Denmark would like to participate in the EIA process. I have not received any comments from Danish authorities or the public regarding the EIA Programme.

Best regards,

Jan Bækgaard, Point of Contact for Notifications and Focal Points for Administrative Matters (Espoo)
