

Ministry of Economic Affairs and Employment of Finland

Printable form for information requests in accordance with the EU General Data Protection Regulation

The European Union General Data Protection Regulation (2016/679) entered into force in May 2016 and became applicable nationally as of 25 May 2018. Under Article 15 of the General Data Protection Regulation, data subjects, i.e. you have the right to obtain access to your personal data.

You can submit an information request using this form by filling it in and sending it to the registry office of the Ministry of Economic Affairs and Employment at PO Box 23, 00023 Government. Alternatively, you can bring it in person to the Prime Minister's Office at the following address: Ritarikatu 2 B, Helsinki, or fill in the request at the above address in person.

Please note that we must be able to identify you if you come in person, so make sure to bring along an official ID card (e.g. passport, official identity card or driving licence). Without identification we cannot send you the requested information. We will send you the requested information by registered mail, which you can pick up at your local post office. If you prefer to pick up the requested information from the registry office service point on Ritarikatu, make sure to bring an official ID card (passport, official identity card or driving licence).

- Subscribing to a newsletter or press releases
- Joining an electronic mailing list
- Blog commenting
- Participating in procurement or tendering processes, please specify
- Participating in an event organised by the ministry, please specify
- Other, please specify

Please note that

- 1) Under Article 12(5) of the General Data Protection Regulation, where requests from a data subject are manifestly excessive, the controller (i.e. the ministry) may refuse to act on the request. We need you to supply the information on this form to ensure that your request is not manifestly excessive.
- 2) All information requests are registered and stored in electronic format in the ministry's official register. The data recorded in the registration process include what the matter concerns, when the ministry has received the information request and who has requested the information. To be able to reply to the information request, the contact details of the person making the request and the nature of the request are documented in electronic format.
